Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a RoomSaver coupon. They will be happy to let you know if the coupon rate is available.

Welcome to
BRANSON

Known as the "Live Music Show Capital of the World," Branson, MO, is truly a one-of-a-kind family vacation destination — and an incredible value — with more than 50 live performance theaters, three pristine lakes, 12 championship golf courses, an international award-winning theme park, dozens of attractions and museums, an Historic Downtown district, shopping galore, a full range of dining options, and a host of hotels, motels, resorts, RV parks, campgrounds and meeting and conference facilities.

And in 2010, Branson is celebrating 50 years of family entertainment! Silver Dollar City is celebrating 50 years of entertaining families with events throughout the year and a new $7 million ride — Tom and Huck's RiverBlast. And the Shepherd of the Hills Outdoor Drama also celebrates its 50th anniversary this year.

Branson is less than a day's drive for one-third of Americans, and with low-cost flights to the new Branson Airport, as well as Springfield-Branson National Airport, it's never been easier for your family or group to get to Branson
